## MEDICATIONS

(PARENTS/GUARDIANS: PLEASE COMPLETE THIS SECTION)
Please complete all pages of this health card and list any medications that your camper will be taking at Camp War Eagle Overnight Camp. Attach additional sheets as necessary. *Please note that camper medications are NOT accepted at Day Camp, Mobile Day Camp, and/or OZONE.

Are there any routine medications your child will not be taking at overnight camp? If so, please describe:

## 2024 CAMPER PHYSICAL FORM (to be completed by health provider)

This examination must be performed by a certified and licensed physician (M.D., D.O.), nurse practitioner, or physician assistant within twenty-four (24) months of arrival at Camp War Eagle. Examination for any purpose within this period is acceptable, however, the provider must complete and sign the Camp War Eagle Form. School or athletic forms are not acceptable. Examination is for determining fitness to engage in strenuous activities.

## ESSENTIAL ELIGIBILITY CRITERIA OF A CAMP WAR EAGLE CAMPER

Among other things, a successful camper must be able to, above all, function independently (does not require one-on-one supervision) in a remote, rustic environment for a one- to two-week time period while living cooperatively with others. Campers engage in activities both indoors (without air conditioning) and outdoors, on land and water in hot and humid conditions. Campers must be able to pay attention and follow instructions over a sustained period of time. The Camp War Eagle program is very active and physically challenging for campers. Daily activities include 1 hour of rigorous (often involving physical contact) team competition, and at least 3 hours of (mostly outdoor) group activities, some of which require physical stamina. Swimming can be in a lake with limited visibility and in a chlorinated pool. If a camper has a seizure disorder or certain other chronic medical conditions, he/she must wear a lifejacket. If a chronic medical condition exists, the camper must be capable of "self-management". A camper must be able to effectively interact in a group-based or community living environment. If the camper appears to have any serious behavioral issues or special circumstances involving physical, psychological, social, or emotional impairments, the Camp Director should be notified of this NOW. If the camper has any health conditions or predispositions to health conditions which might pace camper at a higher risk for severe illness upon exposure to or contracting COVID-19, the Camp Director should be notified of this. Children who cannot live independently and cooperatively with other children or those who pose safety issues in our environment cannot be accepted.
I have reviewed the ESSENTIAL ELIGIBILITY CRITERIA OF A CAMP WAR EAGLE CAMPER and have examined this child. I have reviewed this child's health history as disclosed in the Health Card by the child's parent or legal guardian and otherwise, and agree the information is accurate, with my additional comments. Other than any restrictions noted above, in my opinion, this child is fully able to engage in camp activities.
